APPLICATION FOR SERVICE MEMBERSHIP

Service Membership is available to a unit (i.e. Auckland Central Fire Safety) of a Govt department or corporation (i.e. NZ Fire Service) in lieu of personal membership. Service Membership entitles that unit to normal membership privileges except voting rights, and the attendance at Association seminars at member rates is limited to one person.

We hereby make application for Service Membership of the Fire Investigators Association of New Zealand Incorporated in accordance with its Constitution and By-Laws, and agree to be bound therewith. We enclose our membership fee subject to our application being accepted by the Association. We warrant that the information given by us is true and correct.
